PRESENTS THE
CLASS OF 1998

I BELIEVE I CAN FLY

READING MEMORIAL HIGH SCHOOL

62 OAKLAND ROAD

READING, MASSACHUSETTS

I BELIEVE I CAN FLY

High school has been a journey over peaks and into valleys. In the fall of 1994, our class entered the doors of Reading Memorial High School for the first time, and we looked up at the students and teachers around us. We began realizing who we were, and who we wanted to become. Some of us from Coolidge, and some of us were from Parker, but we soon realized that the best way to make it to the top would be to travel there together, united as the RMHS Class of 1998.

Freshmen year. We make friends out of strangers. "Decisions" class helps us decide which sports to play and which clubs to join. The band and drama club draw our attention. Bosnia is torn apart again, baseball goes on strike, and Jordan decides the diamond is the place for him. Forrest Gump is the man. Surviving freshmen year is something to be proud of.

Sophomore year is hectic. We hear rumors that senior passes are on the way out, but we ignore them, because we are more busy selling hot chocolate and washing cars. The Sophomore Semi is great. The baseball team wins the state championship. Our own track team is featured in Sports Illustrated magazine, while Newsweek covers the terrible tragedy in Oklahoma City. OJ is found not guilty. We "Scream" at the movies, enjoy the music of Dave Matthews, and dance to the Macarena. We're half way there.

Junior year. Goodbye Mrs. Mirkin, and welcome Mr. Orlando. Suddenly, college isn't that far off and grades are becoming more important. We deal with SATs and Achievements. Most of us are driving by now, but of course, we're not parking in the yellow spaces. We dance "By Starlight" at the Junior Prom. The Pats lose in the Super Bowl, but our football team goes all the way. The Unabomber is found. Tiger Woods is everyone's hero. Cloning takes center stage. The Spice Girls? Please. One more year to go.

Senior Year. We're almost there, but not before applications and AP exams hit us hard. Mr. Mooney arrives just in time to help us complete the journey. Tireless hours are spent cleaning the courtyard, building a pond, and raking leaves. Early hours are spent making pancakes. Our "Winter Wonderland" hallway is the best. Pumpkins . . . North Reading Police . . . Oops. We enjoy school dances, the senior prom, the banquet, the all-night party, and lots of other fun too. In hockey the US Women win gold, and our team wins their fourth straight league championship. The world loses Diana and Mother Teresa. Seinfield says he's done. We watch the Titanic sink. It's time to graduate.

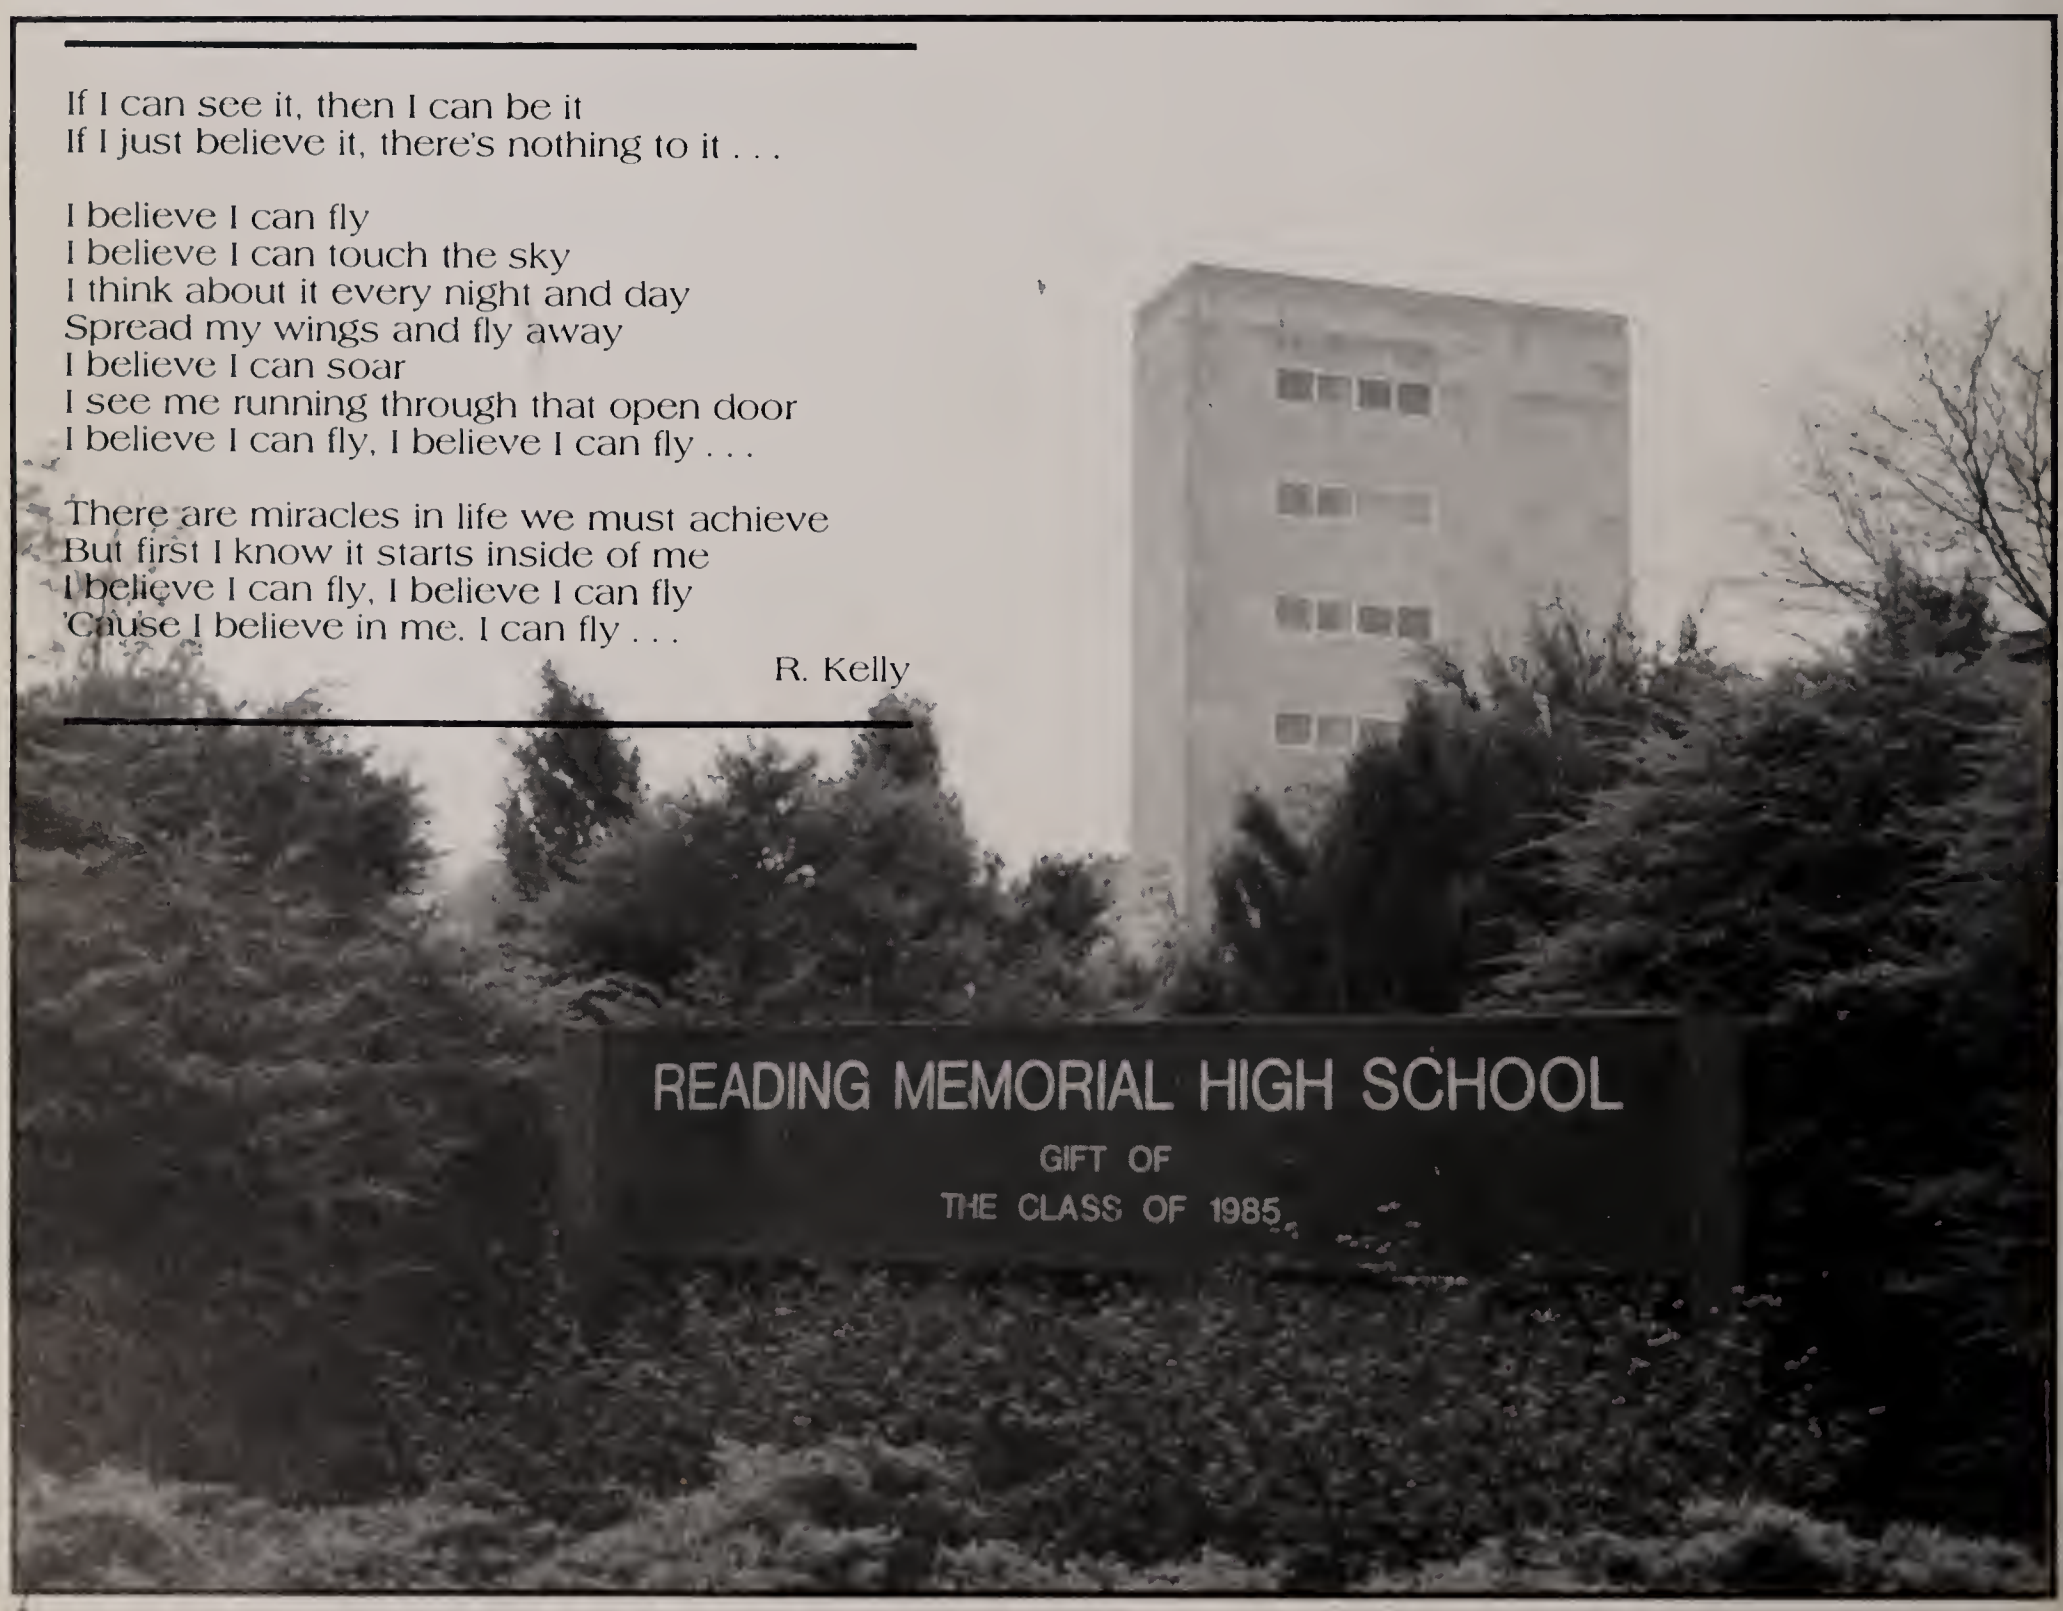

Now we've reached the peak. It went by way too fast. We've changed as people, and our perspectives of the world are more clear. We say goodbye, but we'll remember each other forever. Our days as high school students are over. Now it's time for us to become teachers and offer our special gifts to the rest of the world. God bless the Reading Memorial High School Class of 1998.

If I can see it, then I can be it
If I just believe it, there's nothing to it . . .

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly, I believe I can fly . . .

There are miracles in life we must achieve
But first I know it starts inside of me
I believe I can fly, I believe I can fly
'Cause I believe in me. I can fly . . .

Dear Class of 1998,

The Class of 1998 is an exceptional group of young men and young women. I have come to know many of you personally in the three years I have been superintendent in Reading and I am pleased to be the superintendent of such an outstanding group of students. I am especially proud of all of you and your many accomplishments in academics, athletics and the arts during your high school career. Your teachers, parents and community can take a great deal of pleasure and pride in you as students and the fine young adults that you have become.

As your life takes you to many parts of the world, I hope you will have happy memories of Reading Memorial High School, of your teachers, and the many friends that you have made during the past four years. Your many personal accomplishments, successes in academics, athletic programs, and recognition in the arts have brought great honor to Reading Memorial High School and to your hometown of Reading.

On behalf of the Reading School Committee, the administration and staff of the Reading Public Schools, I want to congratulate you on completing your education here in Reading. We wish you happiness and continued success in all your future endeavors.

Sincerely yours,

Harry K. Harutunian, Ph.D.

DR. HARRY K. HARUTUNIAN
SUPERINTENDENT OF SCHOOLS

MR. FRANK J. ORLANDO
PRINCIPAL

Dear Class of 1998,

Congratulations to an outstanding Senior class! During your four years at Reading Memorial High School, your achievements have set a standard that will be difficult for others to follow. The faculty and staff have always been impressed by your scholarship, work ethic and caring spirit.

As the staff has watched you grow, we have noticed the way you interact with us and each other. You possess a certain sense of poise and confidence. It is clear that you have grown as a student and as a person as well. It is your growth that is most gratifying.

Take the lessons you have learned and go out into a world that is anxious to benefit from your contributions. Again, congratulations!

Frank Orlando

The door to Mr. Orlando's office is always open.

A Rocket fan for all seasons!

MR. JOSEPH FINIGAN
ASSISTANT PRINCIPAL

MS. CHERYL O'BRIEN
ASSISTANT PRINCIPAL

During our four years at RMHS, we have had four Assistant Principals overseeing our curriculum and discipline. Mr. Finigan came to us in our Junior year, replacing Mr. Schettini, but to many of us he was an old friend. Those of us from Coolidge knew him as the Math Department Chairperson, and many of us had him for class. This year, Mr. Finigan took us under his wing as we said goodbye to Mr. Bob Quinn. Mr. Quinn became the principal at Georgetown Jr/Sr High during the summer before we returned as seniors. We welcomed Ms. Cheryl O'Brien as she arrived in Reading this year to assume the responsibilities and frustrations associated with the underclassmen! We will miss reporting to those two offices for detention slips — How late is "late"?

MR. PHILIP VACCARO
ATHLETIC DIRECTOR

What else can we say about our Athletic Director, Mr. Philip Vaccaro? Mr. V., you have always been there for us, whether it was on the field, the track, the courts, the mats, at the rink, on the course, at the pool, or in your Math class. We will never forget those lucky shorts! We know that the door was always open to your office and most of us have taken advantage of your willingness to help us sort out and deal with problems, as well as to encourage us to put it on the line and take the next step. You have always pushed us to believe that we can do it. As we move on to the next stage in our lives, we will bring with us great memories of RMHS and you Mr. V. We will always be your "Babydolls"!

"Greetings and salutations . . . Four to a table! . . .

FOOTBALL

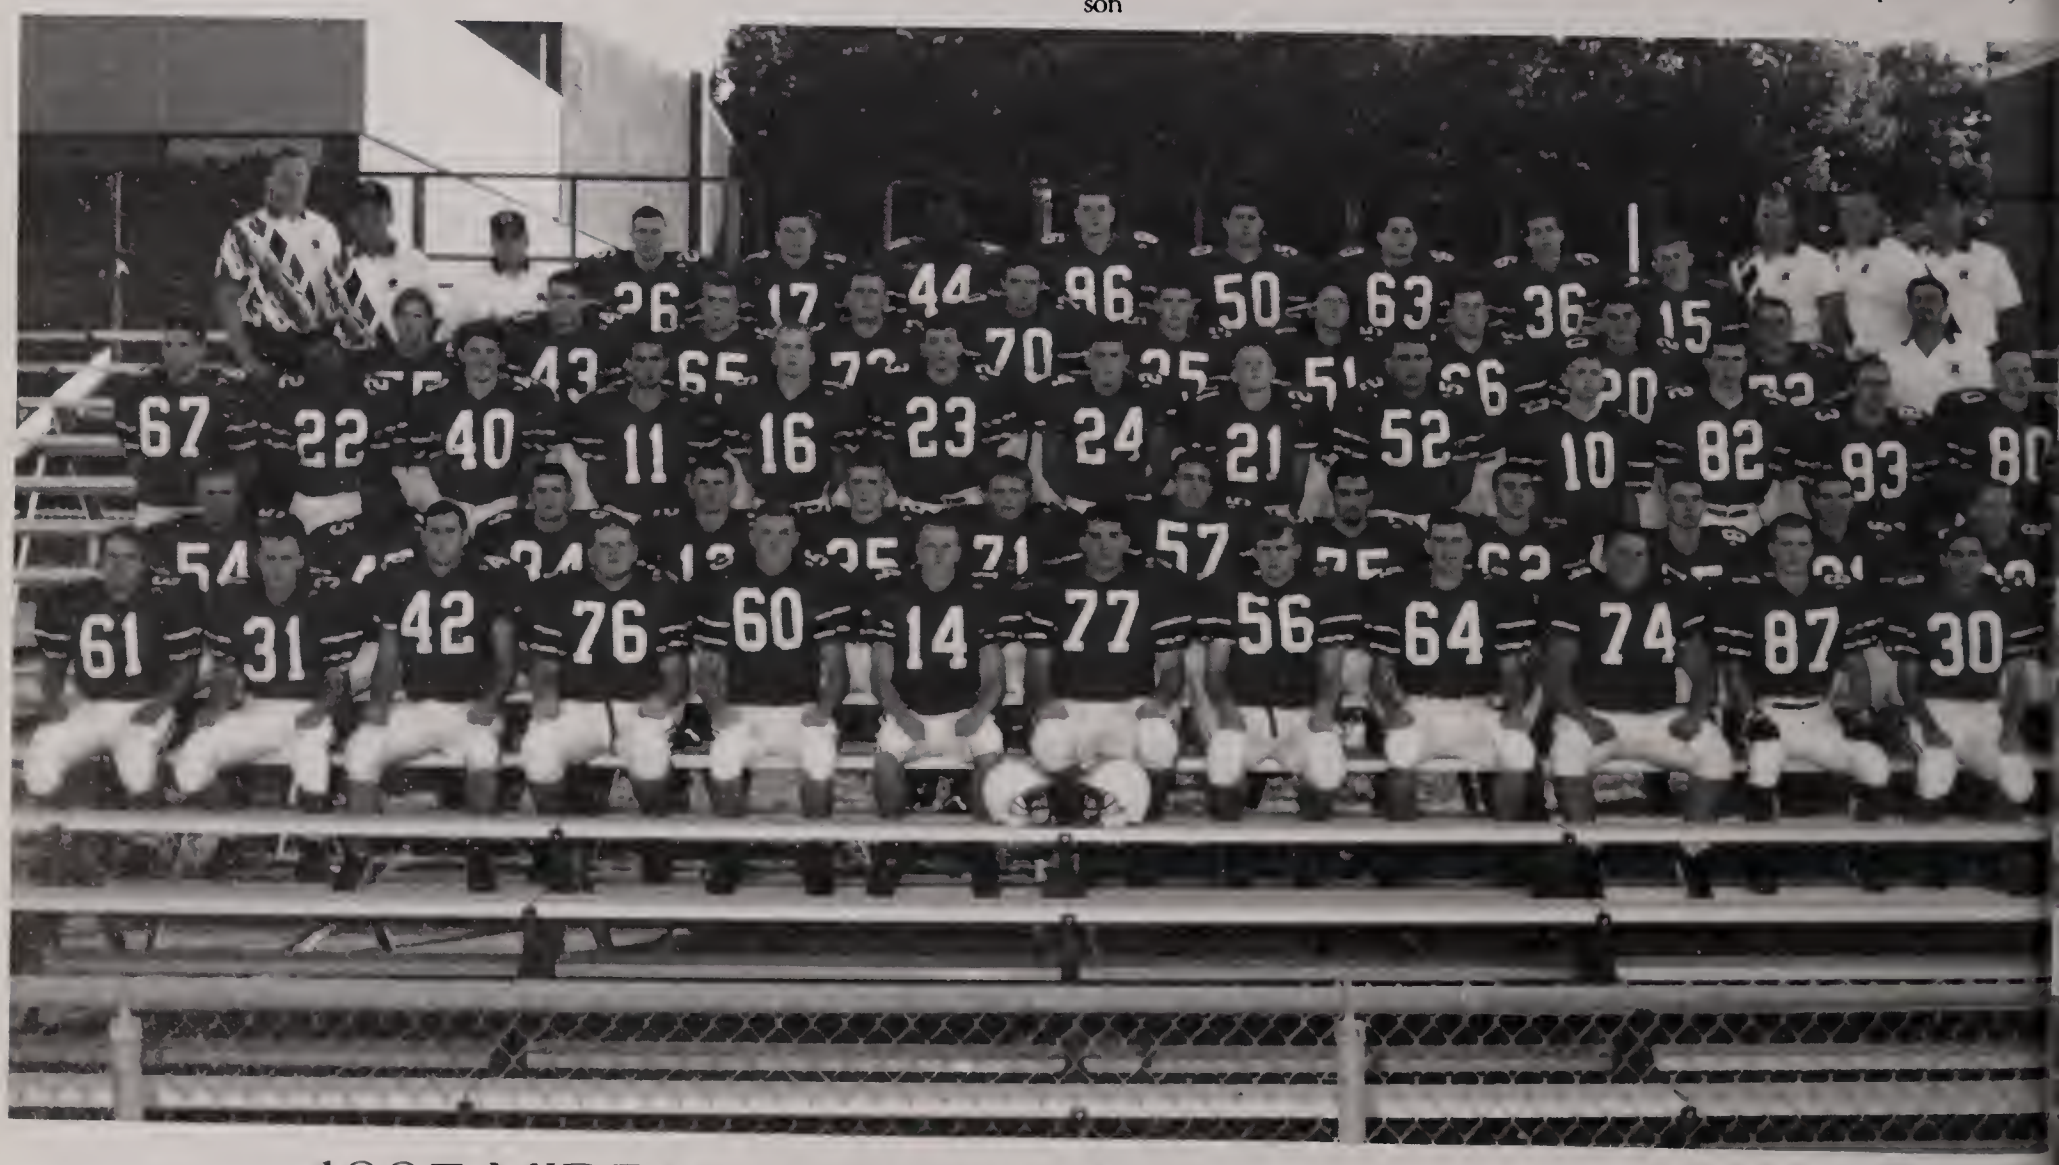

The 1997 Rocket Football team had an incredible season. Led by Co-Captains Erik Kaloyanides and Mark Jellison, we were Co-Middlesex League Champions, missing another Superbowl invitation only because we had won it the last two years. Most of us have spent four years on the RMHS football fields — starting out on the Freshman team and working our way up to Varsity. We have had a great ride. We've worked hard, learned a lot about ourselves and our capabilities, and we were rewarded with "the thrill of victory"! All of this was possible because of the great coaching staff and our head coach, Mr. Tom Kasprzak. Thanks for making it happen for us. And, to the Boosters and our parents, thanks for the memories! Go Rocket Football!

HOCKEY

The RMHS Hockey team had another terrific year in the Middlesex League, with a perfect undefeated season and ownership of the Middlesex League Championship. This year's team, led by Captain Chris Dyment, was loaded with talent and outdistanced all opponents in every statistic. Most of us have come through the junior programs to play at the varsity level and we want to thank Coach Doherty and all the Assistants for giving us the determination and skills to make it to the top. We'll never forget our years at Burbank Arena and at Boston College for the Super 8 tournament. Good luck to next year's team — keep the streak alive!

BOYS INDOOR TRACK

The tradition at RMHS is to always have a great track team, year in and year out. This year was no exception. We had a terrific winter season, and despite our hard work and determination, we finished the year in second place, just shy of another league championship. We will leave the high school with great memories of our track experiences, and want to thank Coach Croft and Assistant Coach Rittenberg for the countless hours they spent with us. We wish the 1998-99 team good luck!!

HOCKEY CHEERLEADERS

Cheering for the Reading hockey team this year was an amazing experience! We supported the Rockets to an incredibly perfect 16-0 season, and the Middlesex League Championship. The season continued as we followed the team to the Super Eight Tournament and a chance to cheer in the FleetCenter. We have had so many great times: the pasta and pizza parties, decorating those lockers, endless bus rides and toilet papering houses around town. We'll take those memories with us as we leave RMHS.

Our years at RMHS on the Baseball Team have been exciting and successful. Most of us started out in the "C" league, then the minors, the majors (remember how we loved the awesome shack at little league park!), on to senior league and finally made it to the high school. We've worked hard and as Sophomores, experienced the ultimate success as we captured not only the Middlesex League Title, but we went on to become State Champions. This year, led by Tri-Captains Erik Kaloyanides, Dan Foley and Steve Rulison, our goal is to repeat as champions. A special thanks to Coach Pete Moscariello whose steady guidance and encouragement has taught us how to follow that dream and succeed.

The Senior Class Officers are elected in the spring before Senior year. This year, we elected seven students to represent the class before the Administration, and also to assume responsibility for the organization and preparation of all the Senior year activities. Getting us to "volunteer" to work on projects such as the Pancake Breakfast, the Spirit Dance and other fundraisers was no easy task! We always had a memorable time at each activity, and want to thank all those who made each one a success.

STUDENT ADVISORY COUNCIL

The Student Advisory Council is a group of students elected to represent the entire student body. We meet regularly with the Principal and Vice-Principals and once every three months with the School Committee to discuss school issues and insure that student voices are heard in the running of the school. In the past two years, we have circulated surveys in order to get the students perspective on how they feel the educational atmosphere can improve at RMHS. The survey results were published by both the *Orbit* and the *Reading Chronicle* and encouraged open discussion and the initiation of some positive changes to benefit all students.

STUDENT COUNCIL

The Student Council is comprised of elected representatives of the entire student body. Student Council provides leadership and organization for both school and community activities. Within RMHS, activities such as Spirit Week, the Thanksgiving Pep Rally, Data Match, Teacher Appreciation Day and various student leadership conferences are under the auspices of the Student Council. As an outreach to the community, the Student Council sponsors parties for senior citizens, participates in Daffodil Day with the American Cancer Society, provides volunteers for the Reading Scholarship Foundation Telethon and organizes the annual Food Pantry canned goods drive. The funds raised by the Student Council are used to award scholarships to deserving students at graduation.

ATHLETES FOR A HEALTHY LIFESTYLE

Athletes for a Healthy Lifestyle is a student managed organization which encourages athletes to maintain a body free from alcohol, tobacco and other drugs. AHL membership includes many captains and athletes of all the team sports. These athletes agree to serve as role models during the season by remaining substance-free. The emphasis is to encourage athletes to help each other maintain proper healthy standards conducive to performance and competition. Through our successful fundraising events, including car washes, raffles and bake sales, we have been able to invite several motivating guest speakers to R.M.H.S. This past year, we sponsored the Aerobic Workshop at the Senior Citizen Center and a Volleyball Tournament at the Fieldhouse. Special thanks to our Advisor, Mrs. Jane Fiore, for all her time and never-ending enthusiasm.

PEER LEADERS

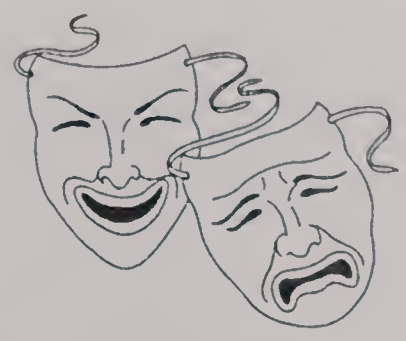

Peer leadership is comprised of 10th, 11th and 12th grade students at RMHS who serve as school and community role models. To apply for admission to this group, students are interviewed by current members and guidance counselors. This year, a major emphasis of this program included student training in AIDS Awareness, Eating Disorders and Suicide Prevention. Additionally, peer leaders visited students in grade 5 through 8 to discuss self esteem issues as well as to teach refusal skills related to peer pressure, alcohol and drugs.

The RMHS Drama Club continues to provide exciting and professional productions for the students and community of Reading. Under the guidance of our incredible advisor, Mr. Bill Endslow, our fall show and our spring production were very successful and earned rave reviews by the hundreds who attended. We were able to "inaugurate" the new Parker Middle School with our fall performances. We competed with both productions and members of the cast earned several awards of distinction. Congratulations and thanks to all who helped make our shows possible over the years, especially Mr. Endslow, and Ms. Killian, and our fantastic "behind the scenes" supporters.

Caught IN THE ACT

STUDENT REPRESENTATIVE TO THE SCHOOL COMMITTEE

Heather Shannon

A senior is elected by the Student Advisory Council to attend all regular meetings of the Reading School Committee. This elected student provides input on issues that concern the student body at RMHS.

In 1993, the Education Reform Act established school councils in every school throughout the State of Massachusetts. At RMHS, the council consists of the Principal, three parents elected by the parent community, two teachers elected by the faculty, two community representatives and two students by the Student Council. The Council meets once per month to review ongoing school improvement plans.

ADOPT A STUDENT ATHLETE

Jim Giordani, Kristin Kerr, Mary Kathryn Von Euw, Matt O'Brien

The Adopt a Student Athlete program at RMHS encourages students to serve as role models for the younger athletes in Reading's middle and elementary schools. Members have the opportunity to meet with and develop positive, esteem building programs with the young athletes in the community.

COMMUNITY SERVICE

This new club at RMHS was founded on the concept of giving back something to the community before leaving the school system. It encourages the school population to volunteer for the many social and service organizations in Reading. The members receive great satisfaction knowing that their time and help is appreciated by those less fortunate.

Mary Kathryn Von Euw, Julie Condon, Steven Rulison, Gretchen Stroman, Kevin Downey, Laura Doucette, John Walsh.

SADD

SADD, or Students Against Driving Drunk, is an organization whose goal is to make students aware of the necessity of driving sober.

Many activities are sponsored throughout the year to heighten awareness of the dangers of drinking and driving. Every year, April is marked as SADD Awareness Month. During this time, a car wrecked in a drunk driving accident is displayed in front of RMHS. The Fire Department comes to the high school and demonstrates the "Jaws of Life" to the students. Also, many guest speakers come to share personal experiences with the student body. The red ribbons that the club ties around car antennae is a visual reminder to all that they may not get a second chance if they get behind the wheel after drinking. Another ongoing program is the "Safe Ride Home" offer during the prom season.

The International Club, created in 1994 as a union of the four individual language clubs, encourages multicultural awareness and participation in cultural events among all members of the RMHS community. Members organize trips to theatres, movies, restaurants and other local language-related events. Speakers are invited to come to RMHS and share with the club their travel and cultural experiences. Several years ago, a student exchange program was implemented, with a group of high school students from Rouen, France joining the RMHS community for two weeks in October. Members of the club have had the opportunity to travel abroad, also.

THE *Write* Stuff

Impressions literary magazine publishes student photography, poetry, artwork and short stories. Under the guidance of Advisors Ms. Montejunas and Mr. Harney, the staff learned various steps of production including writing, editing, typesetting, layout and printing. Putting it all together before deadline has proven to be a real challenge and the staff is committed to publishing more than one issue per year.

THE ORBIT

The Orbit, our school newspaper, is published six to seven times a year. Under the direction of Ms. Starrett, the newspaper staff keep the student body at RMHS informed about what goes on at the High School. Current events, sports, activities and student concerns always are included in every issue. All articles are written by the staff and students from each class are encouraged to submit their work to The Orbit.

The *Pioneer* staff worked long days and even longer nights to create the 1998 yearbook. We spent many hours bonding in the yearbook office, sorting through thousands of pictures and writing reams of copy. After one year of selling ads, chasing down deposits from our classmates, reading and proofing those Senior Profiles ("please can I just change one thing?"), identifying team photos and trying our best to make sure that everyone was represented, we finally submitted our last pages on the deadline date. The result is a chronicle of our senior year at RMHS as well as our journey there. Thanks to our Advisor, Mrs. Cerretani for going the "extra mile" with us, and helping us to *Believe we can fly . . .*

Putting The Pieces TOGETHER

FOREIGN LANGUAGE HONOR SOCIETIES

The four foreign language honor societies at RMHS are open to all language students. To qualify for admission, a student must have a minimum 3.7 average for at least three semesters in the language and a B average in all other areas. Members are responsible for organizing not only the induction ceremony each year, but because the clubs are self-supporting, they hold various fundraisers to help support the foreign language programs.

Marketing education meets as a double period class and incorporates outside employment as a key component. Under the guidance and direction of Mr. Kenneth Levesque, we research and learn the skills necessary to be successful in our outside jobs. One of our yearly projects is the annual Cap and Gown Measurement Day. We have become a close group over the years and we'll miss the friendships we have formed here as we go our separate ways. Thanks, Mr. Levesque for everything!

NATIONAL HONOR SOCIETY

Members of the National Honor Society at RMHS must maintain a 3.7 G.P.A. and demonstrate excellence in leadership, commitment to community service, integrity and scholarship. With our advisor, Mrs. Janet Burne, we plan and execute several projects throughout the year for the benefit of the community. In the past, we have sponsored clothing and food drives for those in need, and have as a result, witnessed true community spirit.

Students may explore the theme in a variety of categories including a project (table top display), a paper, a performance or a media display. NHD is a many tiered competition beginning with an in school competition, then districts, states and finally the nationals. Reading has been a powerhouse for many years in all levels of the competition usually garner more than half of all awards.

The game of Pickleball was created in the late 1980's in California. As is the norm,-it took a few years before the sport made its way across the country and was accepted on the East coast. We finally "caught the wave", however, and pickleball became a fast favorite. At RMHS, it was first introduced in our gym classes, and as a result of its immediate popularity, a very competitive intramural club was formed by the seniors this year. We hope that as we leave RMHS, the underclassmen take the initiative to perpetuate spirit of the game, and do not allow it to fade away. Remember our philosophy, "why settle for a pickle when you can play pickleball?"

SEEM

Reading participates in a six town collaborative program called SEEM. There are two SEEM classrooms at RMHS. The emphasis on these programs is similar to the High School's philosophy. The curriculum focuses on reading, writing, math, work, social skills and practices applying learned skills to everyday situations. Over the past several years, a successful Peer Tutor program has increased cooperative learning opportunities. Peer tutors have found this to be beneficial because they learn more about themselves and others by working within the SEEM program.

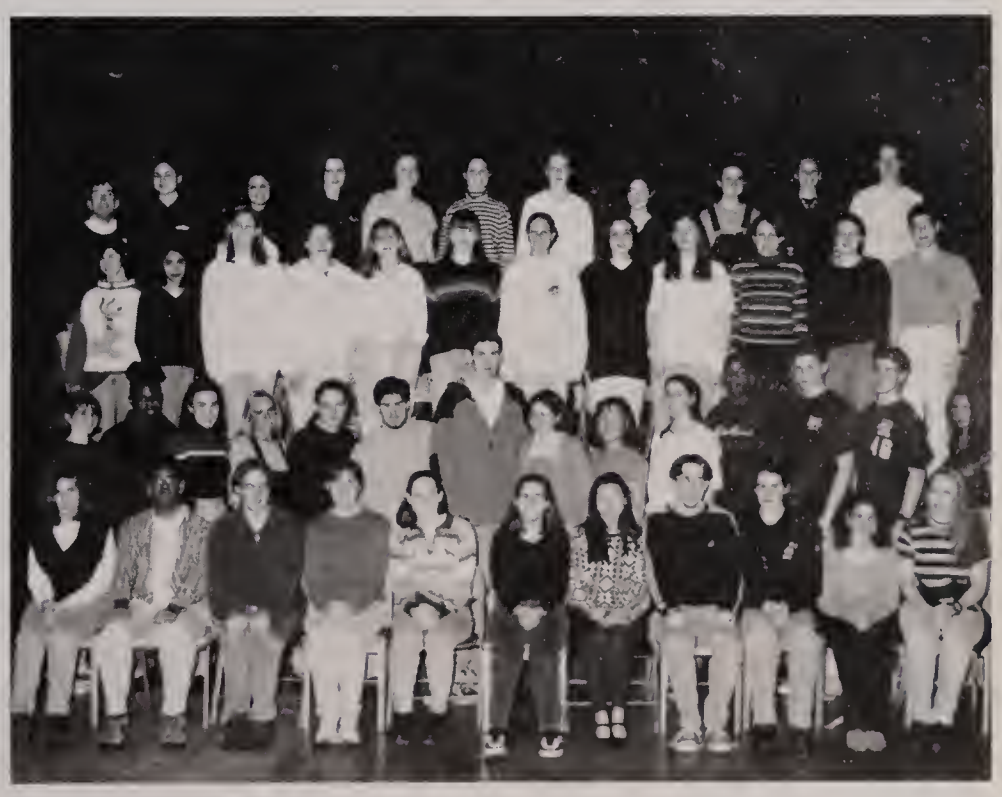

THE READING MEMORIAL HIGH SCHOOL BAND

The RMHS Band, Jazz Band, Jazz Combo and the Chorus are under the direction of Director Dave Bunten. We are fortunate to have one of the best bands in the state right here at our high school and have many opportunities to watch them perform, including the fall football games and rallies, the Holiday Concert, the Pops Night and the many competitions during the year.

To My Petunia,
I can't believe the years have gone by so quickly. It seems like just yesterday you were my baby sister and now you are all grown up and a great friend, as if the years between us have closed in. I want to thank you for the beautiful person you are, for always being there, and for being an awesome Auntie to Austin. I am so happy and proud of you. Remember, you have the world in the palm of your hands — so have fun!

All my love & luck,
Your big sister, Laura
